

Seeking Participants for study on expressing experiences of migration in immersive environments

Have you moved to Canada from another country?

We would like your assistance with a research study on how you can express your experiences of migration in a virtual reality environment.

To participate in this study, you must

- Have migrated to Canada
- Be comfortable participating in a study in English
- Be older than 18

The study will consist of a 2 - 3 hour study at the University [...], where you will experience immersive virtual reality narratives of migration and have the opportunity to try creating one of your own.

The study can be split into two appointments or completed in one as you prefer.

You will receive **\$45 [...]** as a thank you for your time.

If you would like to know more or are interested in participating, please get in touch at: [...]

Thank you very much!
